* Please Note: The scores for the Senior Girls and Senior Boys reflect the cumulative score of each diver after the completion of the 5th round of dives. At that point in the meet, it was after 9:00 pm and we had moved the dive meet

from the DR pool---which closed at approximately 7:30 pm due to thunder and lightning in the immediate vicinity---to the Aquatic Center at Washington-Lee High School where we resumed the meet at the start of the combined girls and boys Senior class event. After completion of 5-full rounds of diving, the Washington-Lee pool staff closed the pool due to thunder and lightning in the immediate vicinity. The Referee, Judges and Team Reps conferred as to how to proceed. It was decided that the meet could be concluded at that specific point if all the divers agreed to scratch on their 6th and final dive and accept their score after the 5th round as their meet score. The team coaches and their divers embraced this approach, and the meet was officially concluded.
