3. Preparing for the meet:
 - Read/understand **2023 NVSL Handbook** rules; review before officiating each meet (**rules 1-11**)
 - **IMPORTANT: Only apply NVSL Diving rules; don't try to apply rules from other sources**
 - Develop pre-meet instructions in advance
 - Have access to a handbook at the meet, including current **FINA DD table**
 - Arrive early and identify yourself to the team reps, officials, and coaches
 - Be accessible to answer questions before the meet starts
 - Work with meet manager to see that equipment, materials, and facility are ready to go
 - Check *or ensure someone checks* dive sheets for completeness and compliance
 - Know accuracy/timeliness of sheets is responsibility of coaches/divers (**rules 10.a.(7)/b.(5)**)
 - Work with meet manager to ensure the meet starts on time (**rule 1.i. and 10.a.(6)**)
 - Understand who can stop and start meet *for related* circumstances (**rules 10.a.(4)/b.(4)**)
 - Understand distinctions between disqualifications and failed dives (**rule 3.d.(1) through (5)**)
 - Remain after meet to resolve any issues.
4. Instructing your judges:
 - Must **give** pre-meet instructions **at every meet**
 - Explain dive standards, score application, and deductible ranges (**rules 4/6, Judges Handout**)
 - Judge dive on overall impression and be able to explain what you saw (**rules 4./5./6.**)
 - approach and hurdle (forward) or press (standing) (**rules 4.a.through e. and 4.p. and q.**)
 - take off (**rules 4.f. and 4.n.**)

 - entry into water, including distance from the board (**rules 4.g., 4.i., 4.k., 4.l. and 4.m.**)
 - Judge dive *from its start to complete submergence*; no underwater actions judged (**rule 5**)
 - Judge dive execution, not difficulty (DD); avoid tendency to reward survival (**rule 5**)
 - Explain the jump and **front and back** entry performed by Freshmen divers (**rule 4.o.**)
 - Twisters must meet **two** conditions to be legal: (**rule 4.k.**)
 - be within +/-90 degrees of completion from the time of the first contact with the water
 - be within +/-90 degrees at all times during the entry
 - Know ranges of scores by attribute and be consistent in scoring (**rule 6**)
 - Use entire range of score card to the extent divers show a range in performance
 - Reward excellence equitably to all age groups
 - Give benefit of doubt to divers if you are not sure what you saw
 - Explain to the judges scoring deductions rendered by judges vs. referee calls (**see below**)
 - Stop meet only at the end of a round if reinstruction or judge substitutions are necessary
