## **MEET MANAGERS**

Division 7 Coordinator: Lynn Clark  
Host Pool Team Rep: Katie Upton

Special thanks to the Stratford dive team representative, dive team members and parents, staff, and other members of Stratford Recreation Association who kindly provided us the use of their facilities to hold the Division VII meet this season. Thanks to all meet officials at the tables and on the deck, whose help is so essential to meet operations. Thank you to the coaches for their care and dedication that goes beyond teaching dives. And last but not least, thank you to all the divers in Division VII who have shared their talents with us this season.

# **GRADUATING SENIORS**

## **WILL AUSTIN (S)**

Will has been a lifeguard at Springfield for two years. He started diving this past school year as a member of the Lewis High School dive team. This is his first year as a Springfield Tigershark. Will is attending Christopher Newport University this fall and plans to study marketing.

## **ALEXA BROOKE (AF)**

Alexa has been diving since she was in third grade. Some of her favorite memories include fun Fridays when she was little and Tiger Madness nights. In the Fall, Alexa will be attending James Madison University and will major in elementary education.

## **MASON DU (OH)**

Mason came to Orange Hunt this summer to join the swim and dive team after starting with the NVSL at other pools since the age of 9 years old. He has been diving competitively since age 12 after discovering in a water safety class how exhilarating diving can be. Mason has so many memories of summer pool life such as overnight campout, meeting so many people, and participating in the ALL STAR Meet at the end of the season. But his fondest memory has to be working with younger divers as a coach/mentor to develop their skills. He feels privileged to have had the opportunity. Mason recently graduated from W.T. Woodson High School in Fairfax after lettering for four years in swimming and diving, and has signed on with George Mason University Swim and Dive team this coming fall to continue his success. Mason has a message for the young divers here: Don't let a BAD finish STOP you from discovering the joy of this sport!

## **GRACE PARTAIN (S)**

Grace joined the Lewis High School Dive team and qualified for the state meet her freshman and sophomore years. She joined the Springfield Tigersharks after her sophomore year. Unfortunately, Grace was unable to dive during her senior year because of an ACL injury. This summer is her first time on the boards since her injury, and she's happy to be back! She'll be headed to Concordia University in Wisconsin this fall where she'll major in mass communications and minor in photography. She'll also be playing on their field hockey team.

## **CHARLOTTE WEIR (AF)**

Charlotte has been diving for the AFC dive team since she was in third grade. She had made it to Divisionals each year, going to all stars twice. Her favorite memories of the dive team are fun Fridays, putting on a smack suit for new dive Wednesday with Coach Bobby, and tiger madness at the end of each season. Charlotte was thrilled to become an assistant coach last year and enjoys watching each diver improve. In the Fall, Charlotte will attend James Madison University with a major in International Affairs and double minor in French and geographic information systems (GIS). She would like to thank all of her previous and current coaches for helping her get to where she is today and the dive reps who always make sure things go as planned!
