

# New Clarifications/Rule Changes 2024 Season

- Ref consultation – can **consult** with designated judge panel member **on failed or unsatisfactory dives**
- Twister dive – deviations of **more than 90 degrees over or under** is point of reference for **deciding failed dive**
- Optional dives - must be from **different groups**; **second dive from same group must be failed**; **can't use change of dive rule to remediate**
- All-Star qualifications at divisionals – **no alternates for place qualifiers** lower than **6<sup>th</sup> place** (Divs 1 and 2) and **4<sup>th</sup> place** (all other divisions)
- Diver too close to board – **unsatisfactory call by ref (max of 2 points)**; **any part** of board; includes **hitting board**
- Dealing with manifest twist from board - **unsatisfactory call by ref (max of 2 points)**; action on dive **before diver's feet leaving board**; **position of shoulders before takeoff**; **all twister** dives included
- Delay of dive – **in opinion of referee**; **referee convenes** brief meeting with coach and diver to **resolve delay**; **no penalty applied**
