A true thank you to the coaches for their caring help that goes beyond teaching dives. And the greatest of thanks to all the divers in Division I, who have shared their talents with us this season.

## **GRADUATING SENIORS**

### **Jocelyn Brooks (Kent Gardens)**

Jocelyn started diving for Kent Gardens at four years old and was quick to join Dominion Dive Club a few years later. Jocelyn was a star member of the McLean High School dive team where she was a state qualifier for three years and a team captain for two! She says her favorite memory of being on the KGRC Dive team was watching coaches Leigh Anne and Sina dive at the Intrasquad and B Meets. Moving forward she will continue to be an outstanding diver at the University of Pittsburgh and will be majoring in Psychology.

### **Sean Memon (Kent Gardens)**

Sean has been diving with Kent Gardens for the past nine years. During his time at KGRC, he has had an infectious energy that was able to lift the spirits of his teammates. While he would oftentimes get scared of trying new dives, he would always find a way out of his head and into the water! His favorite memory of Kent Gardens was the extra week of practice for All STars qualifiers that were filled with laughs and memorable moments. When he got to high school, he was a four time regionals qualifier for the Washington Liberty dive team, and received the MVP award his senior year. Sean will be spending his next four years at American University majoring in Business Administration as well as being part of the dive team!

### **Kate Li (Kent Gardens)**

Kate has been a part of the Kent Gardens dive program for roughly 4 seasons. She graduated from Thomas Jefferson High School for Science and Technology and plans to attend Washington University in St. Louis (WashU) in the fall to pursue biomedical engineering with a pre-med track. At WashU, not only will Kate continue to dive on their Division 3 collegiate swim and dive team, she will also be participating in the Army ROTC program to commission as a second lieutenant upon graduating. This moment is bittersweet for Kate, as she is excited to both reminisce on old memories made with the KGRC team and make new ones in college.

### **OCEAN ARCHAMBAULT (Sleepy Hollow Rec)**

Ocean started diving at SHRA when she was 9 years old. Her favorite memories when she was younger were New Dive Doughnut Day, and waiting in line for the board with her teammates. Ocean would like to thank her family for always supporting her and cheering her on at meets. She would also like to thank her coaches for pushing her to try her best every practice. After this summer, Ocean will be attending Virginia Tech where she will study psychology.

### **EMMA REDMAN (Sleepy Hollow Rec)**

Emma started diving at SHRA when she was 6 years old. Her favorite memories when she was younger was playing twist flip dive and carpooling to dive meets. Emma is grateful for all the special friendships she has made with her teammates and coaches and will always remember the lessons of patience and sportsmanship that dive has taught her. After this summer, she will swim for and continue her education at the University of Virginia.

### **PARKER RICE (Sleepy Hollow Rec)**

Parker Rice has been diving with Sleepy Hollow Recreation Association since the fourth grade. He's competed in divisionals several times over the years with many of his teammates. Starting in 9th grade he began coaching with SHRA and has loved this aspect of the sport. He's grateful to all his past and present coaches for fostering such a fun team environment. In tenth grade he had the chance to participate in the Navy Dive camp where he met even more NVSL divers. Parker graduated from Justice High School where he competed on the dive team and enjoyed diving in districts and regionals. He is attending Massachusetts Maritime Academy in the Fall where he will study Marine Science, Safety and Environmental Protection.

### Erin Wills (Highlands Swim)

Erin Wills first joined the Highlands Dive Team in the summer of 2013 at the tender age of seven and has not skipped a summer since that time. Over the many years that followed, she enjoyed an accomplished diving career with numerous awards both at Highlands and in the other NVSL sanctioned meets: Wally Martin, Divisionals and the All Stars event that caps each season. She is grateful for the many lessons she has learned as a diver like devotion to the sport, discipline, perseverance and teamwork. She is thankful to the many individuals over the last twelve years who selflessly devoted themselves to the work required to provide her and her teammates this experience.

In both middle school and high school, Erin was a member of her school's dive team, and in her senior year was the girl's team captain. Erin graduated this year from Washington Liberty High School in Arlington with an International Baccalaureate Diploma. Starting this fall, she will be attending the University of Virginia in Charlottesville where she will double major in Political Science and Russian and East European Studies.
