Appreciation and special thanks to the Hayfield Farm dive team representatives, dive team members and parents, staff and other members of Hayfield Farm, who kindly provided us with the use of their facilities to hold the Division III meet this year. Many thanks also to all of the meet officials -- at the tables and on the deck -- whose help is so essential to a successful event.

Another big thank you to the coaches for their caring and help that often goes well beyond teaching dives. Finally, to all the divers in Division III, a very special thank you for sharing your talent and dedication with us this season.

QUALIFYING FOR ALL-STARS

The highest two scores in each event are eligible for the All-Stars meet. The next two place finishers will be the alternates for his/her age group and will be able to participate in All-Stars if the top two qualifiers are unable to attend.

Additionally, divers who finish no lower than first alternate in the divisional championship meet and who placed in the top eight in the previous year's All-Stars meet, qualify for the All-Stars meet.

Last year's All-Stars top eight finishers now diving in Division III are:

JG	Addie Celentano (PL)
IG	Graham Nicholson (LG)
IG	Charlotte Hill (PL)
SG	Rowan Threadgill (G)

Additionally, divers who achieve a divisional championship meet score equal to or greater than the average fifth place All-Stars score listed below for their age group will qualify for the All-Stars meet regardless of place finish.

Average Fifth Place Scores

GRADUATING SENIORS

CHARLOTTE PETRICK (WALDEN GLEN)

Charlotte Petrick began diving for the Walden Glen Air Wahoos at the age of 9 and has been a coach for the past four years. From Wahoo Hops to dive team sleep overs...dive has been more than just a sport, through this team she has made friendships that she will never forget. Charlotte was our first lead instructor for the Walden Glen Dive School program now in its 4th season -- she has loved teaching new divers. Charlotte graduated from West Springfield HS and will attend UVA in the fall and hopes to become a physician assistant. Charlotte is grateful to her coaches and all the volunteers that make NVSL diving possible.

EMMA HILL (PARKLAWN)

Emma is an original member of the Parklawn Dive Team 2.0 (reconstituted in 2020). Her growing interest in the sport was unexpected and fun -- Emma went on to compete for Trinity Christian School all four years of high school, qualifying for the state meet twice. Emma's favorite dive is an inward. She loved diving with her longtime friends, her sister, and mentoring and supporting the younger divers. She wants to thank all the coaches, the team reps, Ali and Jim, and her family for fostering her diving and supporting her over the years. Emma graduated from Trinity and was offered a scholarship to study Vocal Performance at the College of Charleston, where she will also study Spanish as part of the Honors College.

GEORGI MALKO (OVERLEE)

Georgi has been part of the Overlee Dive family since before she was born—one of the perks of having her mom as a coach! She officially joined the developmental team at age 3 and the competitive team at age 5. She has enjoyed celebrating every birthday with the dive team, including most recently her 18th. Through her career, she has earned multiple Divisional and All-Star appearances, dove alongside all four of her siblings, and developed a love for coaching younger divers. Georgi graduated from Yorktown High School and will spend the next six months traveling before moving to Dallas to attend Collin College, where she plans to study Agribusiness with the dream of one day owning a small sheep

ranch. She would like to thank Coach John—her first coach, biggest champion, and lifelong encourager—and the entire Overlee Dive family. More clapping!
KELLEN COLEVAS (LEE GRAHAM)

Kellen has been a member of the Lee Graham Dive Family since 2022, joining the team at age 14. Some of his favorite memories include qualifying for Divisionals in his very first season, making All-Stars despite doing two arm circles during every dive, Award Nights, and helping his teammates learn and perfect challenging dives. One of the things he'll miss most is the supportive, encouraging atmosphere that makes Lee Graham feel like a second family. Since his first summer of diving in 2022, Kellen has continued competing year-round and has grown tremendously as both a diver and a teammate. He qualified for his high school state championships every year, earning a silver medal this past season. He has also qualified for AAU Nationals, USA Zones, and achieved an All-American Qualifying Score. While he is proud of these accomplishments, he is even more grateful for the friendships, coaches, and teammates who have supported him throughout his diving journey.

NVSL Dive Divisional Meet Team Award

An award will be given to the team that earns the most points at the Divisional meet. This award is another opportunity for the divers to contribute to their teams, but does not have any bearing on the Division Champion determination. The points are awarded as follows:
