Sheen Lee	HV	148.45		

GRADUATING SENIORS

SAWYER ANDREWS (Fairfax)

Sawyer graduated from Robinson Secondary School. He has been diving with the Fairfax Frogs for 4 years. Outside of the pool, Sawyer plays in the orchestra and is on his high school dive team. Sawyer has earned numerous awards and recognitions including 4th place at the dive state championship, Robinson Boosters Award, and participated in the Philharmonic Orchestra. Next year Sawyer plans to attend Northern Virginia Community College. Sawyer's parting advice for the frogs is "send hard dives even if you're scared."

KELLEN COLEVAS (Lee Graham)

Kellen has been a member of the Lee Graham Dive Family since 2022, joining the team at age 14. Some of his favorite memories include qualifying for Divisionals in his very first season, making All-Stars despite doing two arm circles during every dive, Award Nights, and helping his teammates learn and perfect challenging dives. One of the things he'll miss most is the supportive, encouraging atmosphere that makes Lee Graham feel like a second family. Since his first summer of diving in 2022, Kellen has continued competing year-round and has grown tremendously as both a diver and a teammate. He qualified for his high school state championships every year, earning a silver medal this past season. He has also qualified for AAU Nationals, USA Zones, and achieved an All-American Qualifying Score. While he is proud of these accomplishments, he is even more grateful for the friendships, coaches, and teammates who have supported him throughout his diving journey.

MICHAEL DESANDO (Vienna Woods)

Michael has spent the last two years diving for Vienna Woods and was a dedicated four-year varsity diver at Marshall High School. He will attend NOVA this fall with plans to transfer to George Mason University. When he's not at the pool, you'll likely find him lifting at the gym or rewatching The Vampire Diaries. He is also a proud big brother to a brother and sister. Congratulations, Michael, and best of luck on your next adventure!

JULIA GREEN (Arlington Forest)

Julia started diving when she was 8 after very unsuccessful attempts to make her a swimmer. Diving was a much better fit, as she had also just joined the Arlington Aerials gymnastics team. Summer dive has been so much fun for her and the whole family. She loves the team spirit, camaraderie and all of the ages coming together to form a team. This year she completed her first season as both a diver and assistant coach and has had the best time! Julia will attend Penn State University in the Fall where she plans to study Biology and eventually work in medicine.

MATTHEW HEIM (SHRA)

Matthew has been involved with diving at SHRA for eight years, including three years as a coach. He would like to thank Coach Anita for coaching him both at SHRA and at his middle school over the past eight years. Her encouragement helped him stay committed to diving, even during times when injuries made him question whether he wanted to return to the sport.

He would also like to thank Coach Tom for helping him maintain an honest perspective of himself as both a person and a diver. Matthew is especially grateful to his parents for their unwavering support, from attending his meets and providing transportation to practices before he had his driver's license, to encouraging him to challenge himself during his two years at ADC, and, of course, for keeping him well fed.

Matthew plans to attend Old Dominion University, where he intends to double major in Exercise Science and Biology while participating in the university's choral ensembles and, hopefully, establishing a dive club for fellow undergraduate students. His goal is to become a physical therapist because he believes that everyone deserves the opportunity to remain active, especially those whose injuries have taken that ability away from them.

GRANT MCCLURE (Orange Hunt)

Grant is a 2026 graduate of West Springfield High School who has been diving as an Orange Hunt Shark since he was seven. He began as a MiniShark at four and joined the swim team when he was 6; but quickly shared that he wanted to dive instead of "just swimming back and forth". Since joining the dive team in 2015, he won the Team Spirit award in 2017, Coaches Award in 2021, has competed in Wally Martin, All Stars and the Synchro meet, and holds pool records in 3m and synchro. He was a Junior Coach for two seasons before becoming the Assistant Coach in 2023.

He was a member of the WSHS Marching Spartans - 3 years on the drumline and Drum Major his senior year. Grant also played WSL / SBR baseball for many years. He lettered as a varsity diver at WSHS and was Captain his last two seasons. He made the State Team his senior year and placed 7th at the VHSL state meet. He was a winter diver at Mason Dive Academy from 2016-23, and currently dives with the Nova Meteors club team. Grant has committed as a varsity diver for the Rochester Institute of Technology next year where he is majoring in Mechanical Engineering and plans to rhythmically beat on things in the RIT Pep Band.

CHARLOTTE PETRICK (Walden Glenn)

Charlotte Petrick began diving for the Walden Glen Air Wahoos at the age of 9 and has been a coach for the past four years. From Wahoo Hops to dive team sleep overs...dive has been more than just a sport, through this team she has made friendships that she will never forget. Charlotte was our first lead instructor for the Walden Glen Dive School program now in its 4th season -- she has loved teaching new divers. Charlotte graduated from West Springfield HS and will attend UVA in the fall and hopes to become a physician assistant. Charlotte is grateful to her coaches and all the volunteers that make NVSL diving possible.

CODY SCHNEIDER (Fairfax)

Cody graduated from Fairfax High School. He has been diving with the Fairfax Frogs since 2021. Outside of the pool, Cody dives with a club and also played lacrosse in high school. In diving, Cody has earned numerous honors, including 1st place in all districts, regionals, and states. He received recognition as an all American diver, district champion, regional champion for high school dive, and competed at USA Dive Junior Nationals. Next year, Cody plans to attend West Virginia University where he will dive in NCAA division 1 and study aerospace engineering. Cody's parting advice for the frogs is "have fun and keep showing up".

ISABELLE WHANG (Oakton)

Isabelle enjoyed 9 memorable summers with the Oakton Otters. Every summer, the Otter family blessed her with new friendships, inspiring mentors, and lasting memories. She has loved having the privilege to give back to the team through being a coach the past 3 summers. She hopes all the Otters never lose the uplifting spirit of the team. In the fall, Isabelle will be attending Brown University where she will study and continue her diving career.
